### Application as wall-to-wall & stairway runner

For wall to wall application we strongly recommend the use of an underlay.

For more information visit [www.bomat.eu/en/application](http://www.bomat.eu/en/application)

### Maintenance

Regular vacuuming is indispensable for the maintenance of any kind of carpet. Prerequisite for a successful removal of stains is the identification of the stain type and the correct approach. The sooner a stain is treated, the easier it is to remove.

We advise you to use a professional carpet cleaning company. More info: [www.bomat.eu/en/care-and-maintenance](http://www.bomat.eu/en/care-and-maintenance)
